Dear Interested Sponsor,

Thank you for your interest in the upcoming 19th annual NorthEast Contact Center Forum Conference & Expo. This year's event will be taking place on June 29, 2020 at Gillette Stadium, home of the New England Patriots. Details of all current sponsorship opportunities, associated benefits, and costs are attached.

There are many benefits to sponsorship. Some of the obvious advantages include unrestricted access and high-level exposure to a distinguished group of attendees. In addition, sponsors will have the opportunity to network with current clients while meeting potential new ones in a relaxed business setting. NECCF uses iCapture scanning technology which enables sponsors to create their own electronic attendee list. Your company will also receive extensive identification associated with the event through a variety of media outlets. Sponsorship for this highly anticipated event is available on a first come, first served basis. Please note that we have a limited number of opportunities available at each participation level. As we do expect this event to sell out, sponsorship will not be confirmed until your signed agreements have been returned and payment has been received.

The NECCF is a non-profit organization and we rely on the sponsorship revenues to offset the costs of the day. This allows a large number of attendees to participate for an attractive rate while maximizing the sponsors' exposure to the group.

We would welcome the opportunity to discuss the event with you further.

Please contact NECCF with any additional questions at events@neccf.org

We look forward to seeing you in June!

Sincerely,

NorthEast Contact Center Forum, Board of Directors

2019 NECCF Conference and Expo

Keynote Speaker, Nataly Kogan of Happier.com

- *New England Patriot options provide nice additions to help attract more foot traffic to your booth

NECCF EVENT SPONSOR RESPONSIBILITIES

NECCF is 19 years old and very proud of our independent, user driven, non-profit status. As a non-profit we work diligently to continually update our extensive database of contact center professionals across the northeast. As an organization we are active in email marketing, social media posting and advertising, and our website is a constantly evolving source of content for contact center professionals seeking techniques and tools for deriving a higher level of customer satisfaction for their customers. All of these marketing channels are used to promote you, our sponsors.

As an independent source of best practices in the contact center space we believe we represent an excellent value-added benefit to your prospects and clients. Partnering with us brings that value directly to you and your company. But as a non-profit our resources are limited and we ask you partnership, as a sponsor, in co-marketing our events. We ask that you:

Corporately:

- Announce our event and your sponsorship on your website, via email marketing and via LinkedIn, Twitter, and other social media utilized by your company and provided in partnership with NECCF

Sales Staff:

- We ask that the sales staff attending the event, post and repost content from LinkedIn, Twitter, and Facebook to their personal networks to promote the event and their attendance at it

In return, we will provide you with a discounted attendee rate offer and an exclusive, branded link for your clients and prospects to sign up for the event. We will also have promotional content available for you to repurpose for your marketing efforts.

We thank you for your sponsorship and remember: Our success is your success!

SPONSOR PRESENTATION GUIDELINES FOR NECCF EVENTS

We have held focus groups with our attendees and surveyed them extensively. Universally their feedback tells us they value user-based presentations – the real story of how a product or service works, from a contact center manager’s personal point of view.

Simple fact: having a user as part of your presentation at an NECCF event lends greater credibility to the value of the product or service you offer; and in turn, creates more business opportunities for you among our attendees. If a specific client cannot travel for the event, we can work with you to make arrangements to stream their participation live, as part of your presentation.

An NECCF Board Member will be available to you as a guide to help you in the development of your presentation, with the goal of maximizing your business opportunities via your partnership with the NECCF.

WHO WILL ATTEND

We expect an audience of 350+ contact center executives and managers from a variety of industries including financial services, retail, utilities, insurance, telecommunications, banking, health care, etc. Our attendees represent companies residing in the northeast, specifically Massachusetts, Connecticut, Rhode Island, Vermont, Maine, New Hampshire, New York, and New Jersey.

ABOUT THE NECCF

The NECCF is a non-profit organization comprised of a volunteer Board of Directors. The NECCF was founded in February 2001 by contact center executives and managers who wanted an unbiased “user group” to facilitate the exchange of ideas among contact center executives and managers. Since that time, the NECCF has grown and remained committed to addressing the day-to-day management concerns and strategic planning needs of contact center professionals throughout the northeast.

In addition to the annual NECCF Conference and Expo the NECCF holds Quarterly Forums (spring, fall, and winter), which offer relevant topics delivered by call center management. Although the topics for each meeting vary and are influenced by industry trends and attendee input, the primary focus is always on managing and improving upon contact center service delivery. Each Quarterly Forum is sponsored by a single vendor and if you are interested in sponsoring a Quarterly Forum please contact: events@neccf.org.
